

REQUEST FOR ACT® SCORE VERIFICATION

Overview

Use this form to request verification of your multiple-choice and/or your writing test scores. If your request form is incomplete, received more than 12 months after the test date, or submitted without payment or signature it will be returned unprocessed.

For multiple-choice tests, ACT will verify that your responses were checked against the correct scoring key.

For writing tests, ACT will verify that your essay was scored by two independent, qualified readers and by a third reader in the event that the two scores

differed by more than one point in any domain. ACT will also verify that your essay was properly captured and displayed to readers. If errors are discovered during score verification, ACT will rescore your essay.

ACT will inform you by letter of the results of the score verification approximately three to five weeks after receiving your request.

If a scoring error is discovered, your scores will be changed and corrected reports will be released to you and all previous score report recipients at no charge. In addition, your score verification fee will be refunded.
